The United States Attorney's Office represents the interests of the United States in criminal and civil litigation. The U.S. Attorney's Office conducts the majority of the criminal prosecutions handled by the Department of Justice.

**Projected No. of Volunteers:** 6

**Internship Location(s):** Boise (central); Coeur d'Alene (northern); and Pocatello (eastern)

**Application Materials:** Cover letter and resume

**Qualifications:** First-year (second semester) and second-year law students. Individuals with strong academic records and an interest in public service law are encouraged to apply. **Must be a U.S. citizen.**

**Application Deadline:** January 16, 2006

**Minimum Weeks Required:** 10 - 14 weeks, for 40 hours a week (starting and ending dates are flexible)

**Salary:** Volunteer (without compensation). We will work closely with participating law schools to ensure that interns earn appropriate academic credit, where available. Some law schools offer public interest/public sector stipends, and we will facilitate the stipend process for law schools with such programs.

**Assignments:** Senior Assistant United States Attorneys directly supervise interns by assigning, guiding and critiquing research and writing projects in the student's area of interest. Moreover, interns who will have completed their second year of law school may apply for a limited license to practice in federal court and have the opportunity to appear before federal magistrate, bankruptcy and district court judges. Internships are offered in the criminal division in the areas of white collar crime, narcotics, violent crime and Indian country law; and in the civil division in the areas of FTCA litigation, bankruptcy, affirmative civil enforcement and environmental.
